

YEAR 10 2012 OPTION SELECTION SHEET

Name _____ Learning Group _____ Vertical Form _____

Returning to PHS 2012 Yes, definitely returning Probably returning No, definitely leaving

Year 10 – students must choose **THREE option subjects** (one is a backup). Of those THREE, students may choose at most *ONE technology subject from the list below. NB it is **not** compulsory to choose a technology subject.

If a prerequisite is required you **must** study this subject in Year 10 if you wish to study it in Year 11. If a prerequisite is desired then it is an advantage to study it in Year 10 before choosing to study it in Year 11.

Choose 3 subjects.

Choose them in order – 1st, 2nd, 3rd – so that we know what your first two choices are, plus your backup subject.

Return this completed sheet to your **vertical form teacher** on or before **Wednesday 9th November**.
