Course : Physical Education

Mr J Slee

Total Credits : 20

We recommend that if you are interested in physical education or sports related careers, in particular, you should study this course as an alternative to the pure physical education course. You will participate in a number of sports-related activities and you will be assessed on your skill performance in these activities and how to analyse and improve your technique as well as learning about how to prepare for sport through training. There is a mixture of practical and written work to complete. Another topic looks at the role of physical activity and a further topic investigates the impact of a sporting event on self, others and society.
