Year : 12

Course : Te Ara Kee

Matua T Frearson-Kirkwood

Total Credits : 20

We will guide and manage the learning of each student that enrolls in Te Ara Kee so that their individual mana is nourished and strengthened so that they stand stronger as individuals and as members of their own communities. We will through the assessments for each unit of learning allow them to manifest those skills which are inherently theirs and give them credit for that which they already know and can do. As all units are internally assessed the classroom and other significant learning areas such as marae and historic places of interest will provide the contexts within which learning will take place. Out of the classroom learning experiences are an integral part of the facilitation of the program.
