Where your workplace is your classroom and your employer is your teacher. Future Pathways Gateway is a practical work experience programme designed to further extend you by immersing you in the real world of work, building upon the Level 1 and Level 2 courses. In short, you quickly learn what your future pathway is going to look like and be like! As a work experience student, you are contracted to the course and to an employer through Gateway. In addition to classroom learning, you complete a maximum of 20 weeks' work experience together with projects your industry training provider and employer will assess on-the-job.
