#### **Paid Union Meetings**

The Executive of the Post Primary Teachers' Association has directed members covered by the Secondary Teachers' Collective Agreement, and the Area School Teachers' Collective Agreement to attend a round of branch based paid union meetings held under the provisions of Section 26 of the Employment Relations Act 2000.

At the meetings members will be discussing possible claims to be made in the 2022 Collective Agreement negotiations.

The meeting of PPTA members at our school will be held on 22 February 2022 from 1.30 pm - 2.30 pm via Zoom, and all teachers who are members of the PPTA and are covered by the Secondary Teachers' Collective Agreement or the Area School Teachers' Collective Agreement have a right to attend this meeting.

In exceptional circumstances, such as when there are too few non-members to ensure safe supervision of students, I can be asked to ensure that sufficient members volunteer to remain behind to ensure this, as per Section 26 (3) of the Employment Relations Act. All efforts will be made to minimise disruption.

A register of those members attending from our school will be provided to the board after the meeting.

Naku noa, nā

# Attachment B Financial Report

#### 7.1 Financial Report

#### **Commentary on December 2021 Financial Statements**

- 1. Attached is the December 2021 income & expenditure statement, balance sheet and graphs showing surplus vs budget and working capital vs budget.
- 2. As noted last month December is a 3 pay month so we incurred a deficit of \$180,728 bringing our year to date deficit to \$248,543. The annual budget is a \$101,163 surplus so there is a negative variance of \$349,706.
- 3. That variance is caused by
  - Full cost of unbudgeted HR issues \$267,800
  - International income shortfall \$57,000
  - Sum of all other variances \$24,906

#### 4. Income and Expenditure Variances

#### Income

- Locally raised income was \$271,000 under budget mainly due to Covid.
- Similarly our International net income is \$57,000 under budget.
- Investment income also down due to low interest rates.
- Government income is well up but is offset by Ministry funded teachers salaries.

#### **Expenditure**

- Admin, property, depreciation, finance and curriculum costs all ended up under budget while staffing costs were well over budget.
- Teachers' Salaries are \$408,000 over budget but this is offset by the Teachers Salary Grant in Income.
- Staffing costs were half a million dollars over budget due to HR issues mentioned above (\$267,800) with the rest being caused by support staff wage increases and student behaviour modification measures such as increasing the non-contact hours for Deans and extra pastoral care staff

#### Staff banking

With the number of staff that have left being paid out and new staff coming on board staff

banking now has a large positive variance. That means that the MOE owe us money but we don't really want that either as they don't pay it back until October each year. We will correct the situation by moving staff around in the payroll over the next three fortnights. We have until March to do so as that is the MOE cut-off date for 2021 staff banking adjustments.

#### 5. Working Capital

Due to December's deficit Working Capital has dropped from \$711,665 to \$552.418. The cause of the large deficit is a shortfall in locally raised income compared to budget, the fact that December is a 3 pay month and a large amount of annual leave payments to departing and retiring staff members. Many of them had high annual leave balances which would normally be paid in January and February the following year as part of the normal pay cycle for teachers.

#### Attachment C Principals Report

#### 7.2 Principals Report

#### 1. NZQA Provisional Results 2021

Please find attached (attachment A – pages 14-17) to the agenda the NZQA Principal's Report on NCEA Achievement and UE. This data is based on enrolment as at 1 June 2021. I will report to the Board the finalised data once it is released at the April Board meeting.

#### Commentary

- NCEA Level 1 achievement for the cohort as a whole sits at 74.3%.
   This is 6% higher than the National average, and 1.8% below the average for other Decile 6 Schools.
- NCEA Level 2 achievement is sitting 4.7% below the National average, and 6.9% below the Decile 6 Schools average.
- NCEA Level 3 achievement is 1.9% lower than the National average, and 0.8% below the Decile 6 Schools average.
- UE is 0.04% higher that other Decile 6 schools.

While there is a decrease at NCEA Level 2, achievement rates have continued to remain on par with other schools with the same decile rating. A factor to be aware of is that the schools used in the decile rating are from across all of New Zealand, and most did not experience the same disruption due to prolonged lockdown that Auckland schools did. When looking at our achievement data, it is also important to remember that the 2021 data is provisional, while the previous years are confirmed data.

#### **Gender based data**

When we drill down into the NCEA Level 2 achievement rates, we see that for our female students in year 12, achievement sits slightly higher than National and Decile 6 averages at 82.6%. This is significantly higher than our male student Level 2 achievement rate of 62.2%.

One factor which has influenced this during lockdown has been the limited capacity for our students to engage with the MITTA Trades Academy. Last year, we had 109 students enrolled in the MITTA Trades Academy. 72 of these were males. During the 108 day COVID-19 lockdown, it was difficult for the more practical skills based MITTA Trades courses to deliver programmes online. They reported very low online engagement from students. This resulted in more theoretical and reduced credit courses. By way of comparison, in 2020 our students achieved 545 credits from MITTA, while in 2021 they achieved a total of 420.

The UE results for males sit at 36.6%, which is on par with Decile 6 schools' UE achievement. This is a 2.7% increase from 2020. UE for female students has increased by 6% to 54.5%, which is 2.2 % higher than the average for Decile 6 schools. Overall, both male and female UE rates have increased, with males also trending upwards by 2.9% at NCEA Level 3. This continues the increase in UE for both males and females which has occurred since 2018.

Engaging male students, and ensuring they are on meaningful pathways at school continues to be a focus for the school.

#### Māori achievement

At NCEA Level 1, 49.4% of Māori students (44/86) achieved this qualification. A further 3 students are close to achieving the required 80 credits and will be supported to do so during February.

Of the 42 Māori students who did not achieve NCEA Level 1, 7 were either dual enrolled at Te Kura so they did not attend our school, were Learning Support students who were not enrolled in a full NCEA programme, or had left our school prior to Lockdown.

At NCEA Level 2, 60.8% of students (48/80) achieved this qualification. A further 5 students have the potential to complete this qualification during February. 6 students included in the Level 2 data are dual enrolled in Te Kura, or had left our school prior to lockdown.

At NCEA Level 3, 46.2% of students (24/55) achieved this qualification. 5 students are close to completing this qualification, and we are contacting them to try and support this.

Overall, Māori achievement remains an area that we will focus on as a school. Further targeted interventions this month should increase the confirmed NZQA results by 3-4%. Early identification of those students for 2022 who require additional support is currently underway, and a system of tracking progress, mentoring and making meaningful connections with whānau is being strengthened and developed. We have developed a partnership with the Ngāti Tamaoho Education division, who are working alongside the Ministry of Education to provide a wraparound service to reengage our Māori students who may have disengaged from school due to COVID-19.

#### Pasifika achievement

At NCEA Level 1, 45.7% of students (14/31) achieved this qualification. A further 4 students are close to having the required 80 credits to achieve Level 1, which would equate to a 13% increase in the provisional results. 2 of the students who did not achieve were dual enrolled with an alternative education provider.

At NCEA Level 2, 46.2% of students (12/27) achieved this qualification. A further 4 students have the potential to achieve this qualification during February.

At NCEA Level 3, 57.9% of students (17/30) achieved this qualification. A further 4 students are very close to achieving their Level 3, and the school is contacting them and putting in place the opportunities for this to occur. Should they do so, it will make a significant difference to this data. At NCEA Level 3, this would be our strongest data for Pasifika students to date, and is a continuation of the upward trend for Level 3 since 2018.

Improving our Pasifika academic achievement also remains a focus for the school in 2022. Working with community links to re-engage with our Pasifika students and families post COVID-19 lockdown and during CPF Red setting, is a key aspect of our planning for the year.

#### Merit and Excellence endorsements

An overall upward trend in the rates of merit and excellence endorsements has continued. Achieved with Excellence

	Year 11	Year 12	Year 13
2019	12.9%	8.4%	10.1%
2020	11.1%	9.5%	10.5%
2021	13.7%	10.5%	12.8%

#### Achieved with Merit

	Year 11	Year 12	Year 13
2019	27.6%	20.9%	19.6%
2020	21.5%	22.4%	22.7%
2021	34.3%	24.1%	24.4%

#### 2. Enrolments for 2022

At the time of writing this report, we have the following number of students enrolled on KAMAR:

Year 9	Year 10	Year 11	Year 12	Year 13	Total
436	427	385	356	277	1881

Rooming for classes is particularly difficult this year, and we have needed to reallocate some student spaces to utilise as classrooms. The completion of the new 10 classroom block for 2023 will ease this pressure.

#### 3. Provision of Standing Order for Student Health Centre

From the start of 2022, our school nurses will have a Standing Order which allows for them to prescribe for minor health concerns. A Standing Order is a written instruction issued by a DR or NP authorising specified RN to administer specified medicine without a prescription, according to very specific criteria. It does not allow a RN to give a prescription to a patient to take to pharmacy. It enables timely treatment or medicines for uncomplicated, and common conditions where there is no Doctor. It must meet very specific criteria from the Medicines (Standing Order) Regulations, 2000.

During 2021, our school nurses saw 2846 students. Of those 1167 referrals to a Doctor were made. Many of those were for very common conditions. In some cases, students have barriers to accessing health care outside of school such as transport, cost etc. Being able to treat minor conditions at school is a part of the way we are strengthening our provision for student support.

#### 4. Staff request for leave

I received a letter from a staff member requesting leave for Term 1. To be discussed in-committee.

#### 5. **COVID-19 CPF Red setting**

#### **Health and Safety Plan**

Under all settings of the COVID-19 Protection Framework schools remain open for learning. Attached to this agenda (attachment B – page 18-26) is the School's Worksafe Health and Safety Plan for onsite learning. The school is adhering to guidelines set out by the Ministry of Education for each level of the CPF. With the exception of exemptions, under Red all students and staff onsite must wear a mask, social distance where practicable and maintain good hygiene practices. No large gatherings such as assemblies will be held during this time, and external people being on campus is strongly discouraged. Physical activities such as singing, drama, physical education and the playing of woodwind instruments are required to be conducted outside during the Red setting. We are utilising the covered outdoor areas we have on campus, and have purchased a number of marquees in order to be able to provide shelter for these activities to occur.

#### **Distance Learning**

While schools remain open during all settings of the CPF, the Ministry of Education have advised schools that we should provide distance learning provision for any student who is unable to attend school onsite for any reason. We also have been advised to prepare to be open via distance learning should there be a large number of cases within our school, or if we are unable to adequately staff the school in-person due to a large number of staff being absent. Teaching and learning programmes have been adapted so that all resources and learning content are available online so that we can effectively operate in a hybrid learning model.

#### Mandatory vaccination booster requirements

All school employees who received their second vaccination on or before 30 August 2021 will need to have their booster by 1 March 2022 to continue working on school site. Employees who received their second vaccination from 31 August 2021 onwards need to receive their booster shot within 183 days of their second shot. The school is maintaining a vaccination register and is working with staff to ensure that all are aware of the mandate and that we are in compliance.

#### 6. Student Trustee Elections

I have appointed Denis Murphy as Student Representative Elections Returning Officer and he will be working with me to appoint a Student Representative in accordance with the following dates:

The call for nominations must be completed by **Friday 18 February 2022.** The close of nominations for those elections will now be noon on **Friday 11 March 2022** and voting for the elections will now close at 4pm on **Wednesday 13 April 2022.** 

#### 7. Out-of-zone enrolments

Due to roll growth and our current classroom space capacity, we are not accepting out-of-zone enrolments. However, if families believe there are extenuating circumstances which should be considered in their application, they are able to apply to the principal/BOT. There have been three such cases to date this year, and a request for a discussion from Franklin Basketball.

#### 8. School House Names

After a process of consultation during 2021, the principal Richard Barnett announced through the school newsletter and the website in December 2021 that the school house names would change in 2023. The Ngāti Tamaoho historian is currently investigating potential names significant to the geographical area of our school zone. The new house names are planned to be launched during Term 3 of 2022.

#### 9. Paid Union Meeting

The PPTA have a paid union meeting for teachers on February 22<sup>nd</sup>, 2022 from 2pm-4pm. School will close at 1:30 on that day.

#### 10. Staff Representative

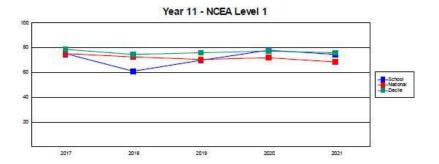

Verbal report - currently working through electoral process, the time-period for this considerable.

#### **PROPERTY**

- 1. SIP Project-Front Entrance & Landscaping. The MOE have paid the money for this job already but according to the project manager his contractor is having trouble sourcing materials such as concrete. We have just been informed that the concrete work has been scheduled in for next Thursday.
- 2. School Rebuild. The first step in this project is creating new courts to replace the Harris St ones. The new ones will be placed between the horticulture unit and the gym. Work is starting in a week or so and will take 10 weeks to complete. The classroom block which is to be built on the Harris St courts is scheduled to commence late this year.

#### **HEALTH & SAFETY**

All items discussed in principals report.

# Attachment E Delegations Schedule

#### 8.1 Board Delegations Schedule

#### **Background**

The Education Act 1989 states that the Board has the power to govern the school including setting the policies by which the school is controlled and managed. The Principal, as the Board's Chief Executive, has complete discretion, subject to the policy directions of the Board, to manage the day to day operations of the school.

The Act also allows the Board of Trustees to delegate any of the functions or powers of the Board, (except the power to borrow, and the general power of delegation), either generally or specifically in some situations.

#### **Board Delegations**

- 1. Currency
- 1.1. Until revoked, a delegation to a Committee or individual continues in force even if the membership of the Board or Committee changes.
  - 1. Delegations to the Chairperson of the Board

- 2.1. The Chairperson shall be the joint spokesperson, with the Principal, for the Board on all matters relating to the School and Board;
- 2.2. The Chairperson shall have the authority to make decisions, in consultation with the Principal and Deputy Chairperson, that bind the Board when urgent matters require a decision (such as an emergency) and the convening of a Board meeting is not practicable under the circumstances of the emergency;
- 2.3. The Chairperson shall represent the Board on all other day to day matters, including corresponding on the Board's behalf;
- 2.4. The Board Chair is delegated the responsibility for undertaking the Principal's annual appraisal. The Board Chair may employ an external consultant and may include a second Board member.
- 3. Delegations to the Principal
- 3.1. The Principal shall be the joint spokesperson, with the Board Chair, for the Board on all matters relating to the School and Board;

#### 3.2. Appointments

The Principal is delegated authority to appoint all staff. The Principal may delegate these powers to other senior staff.

#### 3.3. Discretionary Leave

The Principal has authority to grant discretionary leave up to a maximum of five days for Teaching staff and authority to grant discretionary leave for support staff. The Principal may delegate this task to other senior staff.

#### 3.4. Teacher Performance and Appraisal

The Board delegates to the Principal the attestation of teacher performance, and appraisals of all staff. In turn the Principal may delegate this task to senior members of staff.

#### 3.5. Police Vetting and Teacher Registration

The Board delegates to the Principal the task of undertaking police vetting and teacher registration. In turn, the Principal may delegate this task to senior members of staff.

#### 3.6. Associate staff

The Principal is delegated authority to deal with all employment issues relating to support/ancillary staff. This includes undertaking disciplinary investigations, performance management, convening disciplinary hearings, and issuing sanctions, including warnings and dismissal. The Principal may delegate some of these functions to senior staff.

#### 3.7. Teaching Staff

The Principal is delegated authority to commence preliminary inquiries under clause 3.4.1of the Secondary Teachers Collective, and resolve matters informally, and issue verbal and written warnings as appropriate. Should a matter be regarded as serious, then the Principal shall refer the matter to the Personnel Committee pursuant to clause 3.4.3 of the Collective.

#### 3.8. Suspension

The Principal may suspend any employee, at any time, including during an inquiry or following receipt of a complaint, if satisfied that the welfare and/or interests of any student attending the school or of any employee at the school so requires.

#### 3.9. Competency

The Principal shall be responsible for administering the competency procedures against teaching staff on behalf of the Board. This in turn may be delegated by the Principal to senior staff.

#### 3.10. Budget

3.10.1 The Principal has authority to spend up to the limits of the approved annual budget within respective categories.

310.2 The Principal has authority to replace capital items not approved in the budgeting process on an 'urgent' basis up to a limit of \$5,000. Power exercised under this authority will be reported to the next meeting of the Board.

#### 3.11. Privacy Officer

The Principal is delegated authority to act as the Board's Privacy Officer. The Principal may delegate this task to a senior member of staff.

#### 3.12. Official Information

The Principal is delegated authority to act for the Board when receiving, actioning and responding to any Official Information Act requests. The Principal may delegate this task to a senior member of staff.

#### 3.13. Overnight Trips

The Principal is delegated authority to approve domestic overnight student trips. The Board has authority to approve overseas student trips.

#### 3.14. School Closure

The Principal has authority to close the school if necessary due to exceptional circumstances, e.g. on advice of the Ministry of Health around pandemic issues or in an emergency.

#### 3.15. Signing Declarations

The Principal can sign declarations on behalf of the Board in relation to information required by the Ministry of Education.

#### 3.16. Mandatory Reporting

The Principal is delegated authority to complete any mandatory reports to the New Zealand Teaching Council.

#### 3.17. Delegation to the Acting Principal

The Principal may delegate any or all of her powers, in writing, to the Acting Principal appointed, during a period of absence overseas, or during a period of extended leave lasting more than 7 days or in other situations as determined by the Principal.

#### 4. Delegations to the HR Committee

- 4.1. The HR committee will be chaired by the Chairperson or Deputy Chairperson of the Board.
- 4.2. At least three Board members will be on the committee and the quorum will be a minimum of three Board members.
- 4.3. The Principal will be an ex-officio member of the committee.
- 4.4. The student representative and staff representative are ineligible to be members of this Committee.
- 4.5. The HR Committee shall have the power to meet and consider any serious conduct issues that are referred to it by the Principal under clause 3.4.3 of the STCA.
- 4.6. The HR Committee may also review any penalties imposed on a staff member, at the request of that staff member or their representative.
- 4.7. The HR Committee may commence disciplinary procedures, including an investigation, convene a disciplinary hearing, and issue sanctions including warnings or the termination of employment, without further recourse to the Board.
- 4.8. The Committee may also suspend staff during an investigation or disciplinary process, or review the suspensions of staff by the Principal, and decide to confirm, revoke or otherwise deal with the suspension.
- 4.9. The HR Committee will report to the Board.
  - 5. Delegations to the Finance and Property Committee
- 5.1. The Finance and Property Committee will be chaired by a designated parent member of the Board.
